MEMORANDUM FOR THE RECORD

At 10:00 a.m. today Mrs. Shih called me from New York to say that the Chinese agreed to three things:

- They accept the revised text for the announcement of Dr. Kissinger's trip which I handed to Ambassador Huang June 5.
- They agree to making the joint announcement at 11:00 a.m. June 14 Washington time, 11:00 p.m. Peking time.
- They agree to the approximate arrival time of Dr. Kissinger in Shanghai, i. e. 1700 on June 19.

I thanked her and said that we would give them the remaining technical information on the travelling party in the near future.
